

2021 Cabernet Sauvignon - Discovery Vineyard

Alcohol label %: 13.9

Aging

Twenty-two months in 25% new French oak, 75% neutral French oak

Appearance

Lighter garnet in color, the appearance could fool you into thinking this won't be a complex wine. But Discovery Vineyard never disappoints.

Palate

It has hints of graphite, dark cherry, pepper and baking spices. This is a full-bodied wine that has a smooth and invigorating finish.
