

N/V Prospect Mountain White

Alcohol label %: 11.0 | **pH:** 3.46 | **Acidity (TA):** 5.4 | **Residual Sugar (g/L):** 55.0

Winemaking

The art of Prospect Mountain White is getting just the right amount of juicy peach flavors infused into the wine without it getting to be bitter; and by the volume in which this unique and delicious wine sells, we have accomplished this and it's why it has become the favorite wine of so many of our most loyal customers.

Food Pairing

Enjoy Prospect Mountain White with Thai Cuisine, sweet and spicy foods, light salads or sandwiches, mild cheeses, & fruity desserts.
