

## 2021 Cabernet Franc - Boushey Vineyard

---

Alcohol label %: 14.6

---

### Harvest

October 2021

### Aging

Twenty-three months in 24% new French oak and 76% neutral French oak

### Appearance

This is a great example of Cab Franc. Lighter in color, likely showcasing why it is one of the fathers of Merlot, this wine has big bright red fruits like raspberry and currants on the nose. The body brings out the vanilla and anise which are going to be wrapped around those giant tannins that will take 4-5 years to tame.
