## Growing Conditions

Vineyard: Corfu Crossing

Gård Vintners wines are 100% estate grown sustainably at Lawrence Vineyards, featuring 14 distinct vineyard sites. With elevations that range 870 feet to 1,675 feet and primarily south-facing slopes, Lawrence Vineyards provide a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. Lawrence Vineyards is certified sustainable.

## Nose

Lemon oil, ripe nectarine, tangerine peel, and oak spice. The 2021 Albariño is rich, but also very fresh on the nose. Swirling brings ripe cantaloupe, orange blossom, caramelized peach, wet stones, and hints of rosemary and baking spices.

## Palate

The mouthfeel is medium to full bodied, with remarkable texture and pronounced acidity. Flavors of ripe stone fruit and fresh tropical fruits dominate the mid-palate, but there is also phenomenal tension stretching the wine from more forward to a fresher style. Extremely layered, this barrel fermented Albariño finishes long, with great acidity and a saline touch, but the perfect amount of sweetness to back it up. Drink now or in the next 8 years.
