

# N/V Sunny Day

---

**Alcohol label %:** 11.0 | **pH:** 3.43 | **Acidity (TA):** 8.1 | **Residual Sugar (g/L):** 42.0

---

## Winemaking

Sour taste to it, has kind of a core of the pineapple, more of the all-around pineapple, more acidity, very slightly sour.

## Food Pairing

Best served chilled, this wine is great on its own, but also pairs well with light salads and sandwiches, mild cheeses, and tropical fruit or vanilla desserts.
