Alcohol label %: 13.0

Harvest

September 2022

Aging

6 months in 60% new French oak, 40% neutral French oak

Appearance

Intensely golden in color, this big oak and cream Chardonnay is designed for those that want a bold white wine.

Nose

With a nose of lemon brioche, you can begin to get hints of the oak.

Palate

The specialized D&J barrels we use specifically for this wine give a silky texture with hints of butter and cream that fall in and around the tropical notes of the wine. The finish hints of guava as it lingers on your palate.
