## Growing Conditions

We escaped the late spring frosts that followed the unusually early (March) Bud-break of 2012, and the extended growing season ultimately produced some of the finest fruit on record for nearly all varieties.

## Winemaking

The 2012 vintage comes entirely from our oldest Riesling block, planted in 1979.

## Bottling

February 21 2013. Stelvin closure.

Limited quantities, Library Wine. Club membership required for access.

## Palate

The Riesling yields lush tropical fruit aromas and flavors of citrus and ripe pineapple accented by rich honey overtones.

## Food Pairing

Delicious on its own, or a wonderful accompaniment to chicken, pork, & Asian dishes
