ABOUT THIS WINE

Bold and layered with ripe fruit and elegant restraint. California cabernet meets our estate franc in this rich, sophisticated red

TASTING NOTES

APPEARANCE

Deep, opaque ruby-garnet with excellent clarity.

NOSE

Bold with ripe black currant and mulberry at the forefront. the unmistakable signature of California Cabernet Sauvignon at full ripeness. A distinctive fresh mint character lifts the aromatics and adds an unexpected elegance to the power. Cedar and tobacco emerge with a few minutes of air, while the Pennsylvania Merlot contributes a softer, more rounded fruit quality that broadens the aromatic profile beyond what either component could achieve alone.

PALATE

Fruit-forward with ripe blackberry, mulberry, and black currant dominating the palate. The mint note carries through from the nose, adding a refreshing counterpoint to the wine's considerable richness. The Merlot component rounds and softens makes a blend that leads with fruit and finishes with structure rather than the reverse.

FOOD PAIRING

Ribeye, braised short ribs, lamb, aged cheeses, and dark chocolate.
