

# 2017 Riesling Ice

---

Alcohol label %: 14.0 | pH: 3.2 | Acidity (TA): 14.0 | Residual Sugar (g/L): 18.8

---

## Growing Conditions

The 2017 growing season contrasted greatly with the dry season of 2016 with much higher than normal amounts of rainfall from May through August. The critical months of September and October ended up being much warmer than normal, allowing for extended ripening.

## Winemaking

Wagner Ice wines are gently pressed from frozen grapes, coaxing the juice out while leaving the water behind as ice crystals.

## Aging

Stainless steel.

## Bottling

May 17 & 31, 2018. Cork seal.

Limited quantities, Library wine. Club membership required for access.

## Palate

Aromatic and zesty, each sip explodes with vibrant fruitiness and leaves behind a lively lingering finish.

## Food Pairing

Savor this Riesling Ice alone or along with your favorite dessert, fresh fruit or with soft cheeses and nuts.
