

2019 Malbec

Alcohol label %: 14.5

Aging

20 months in 60% new and 40% neutral French oak barrels.

Nose

This is a sexy wine aromatically- raspberry galore, mocha, stones after summer rain, pencil shavings, and nutmeg all leap from the glass.

Palate

Drinking this wine is pure nostalgia for me personally like I am back in Argentina making Malbec again. Rich, dense, driven by blue fruits like plum, and blueberry but backed up with more mocha and chocolate flavors. I loved this wine on the second day open—chewy, building tannin with a tremendous mid-palate mouthfeel.

Food Pairing

I would pair this with a simple skirt steak just like we did at the base of the Andes in Argentina—salud!"
