

2023 Chardonnay - Carrie's Select

Alcohol label %: 13.0

Appearance

Carrie carefully selects barrels for this highly balanced Chardonnay getting it to this golden straw color. The D&J barrels she uses lend notes of brioche and butterscotch with a hint of honeysuckle. The body is full and round with caramel and vanilla from the toasted oak blending with the secondary fermentation notes of butter and pears. The finish will wow you with how long you will get to savor this blend of oak and fruit married together.
