**Acidity (TA):** 7.6 | **Residual Sugar (g/L):** 3.37

---

## Growing Conditions

The 2021 growing season began with frequent rainfall, leading to rapid canopy growth across the farm. The fast-established leaf presence proved crucial, as continued precipitation and cloud cover in summer put a greater level of importance on the solar energy collected in spring. The fall brought enough sunlight and respite from the rain that harvest brought in fruit with a compelling balance of sugar and acid levels. Wines from this vintage will feature a strong backbone of acidity with fragrant aromas and nuanced layers.

## Aging

Fermented in stainless, this vintage of Select is produced from a blend of four vineyards, including our oldest block of Riesling, "Vineyard 31", planted in 1977.

## Bottling

June 6, 2022 Stelvin closure

## Nose

This sweet fruity Riesling has lush aromas of tropical fruits with citrus and pineapple flavors accented by rich honey overtones.

## Food Pairing

Delicious alone or with chicken, pork or Asian dishes.
