Growing Conditions

Gård Vintners is 100% estate grown sustainably at Lawrence Vineyards, featuring eight distinct vineyard sites in the Royal Slope AVA. With elevations that range 930 feet to 1,675 feet and primarily a south-facing slope, Lawrence Vineyards provides a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. We also farm vineyards on the Wahluke Slope and Conner Lee in the Columbia Valley. Lawrence Vineyards is certified sustainable.

Nose

A blend of Pinot Noir and Chardonnay, this 2021 Sparkling Rosé shows a beautiful pale copper hue. The nose is lifted and extremely energetic, with notes of dry strawberry, tangerine, candied flowers, and hints of ginger and ripe cantaloupe.

Palate

The palate is juicy with fresh stone fruits, orange blossom, and a creamy mousse. Medium-bodied and beautifully textured, the wine shows impeccable balance and freshness. Very youthful and mouthwatering, but with remarkable tension and aging potential, this delicious sparkling is ready to be enjoyed now or age for a few years to get a creamier and more mature profile. Drink now or in the next 5 years.
