

2020 Malbec

Growing Conditions

We might be the only grower with Malbec in the Leelanau AVA. This wine grows on our Swede property on an east facing slope that heats quickly in the morning and is protected from the prevailing winds keeping it warmer than the rest of the farm.

Harvest

Hand harvested

Winemaking

Fermented with regular daily punchdowns before being pressed and transferred to barrels.

Aging

18 months

Appearance

Medium ruby
