ABOUT THIS WINE

Messina Hof Winery is proud to be a veteran-owned business and family winery with a history of three generations of United States military service. Messina Hof is honored to craft and showcase a wine collection for the ages that pays respect to the brave men and women that served during World War II and specifically in support of the Pacific War operations.

About the Label: A command post is the nerve center of battle, housing the commander along with the intelligence, tools, and personnel that drive all strategic decisions. Ideally it sits near the center of operations while remaining hidden from the enemy. Whether fully equipped or hastily assembled in a trench or beachhead, it remains the critical hub from which orders are delivered to the front lines.
