## Growing Conditions

The 2022 growing season was marked by an abundance of sunlight and a dearth of rainfall. Those two factors combined with a cold spell in mid-January to lessen yield totals for many varieties. However, the fruit that was grown reached enticing levels of ripeness that have us excited about the quality and age ability of wine from this vintage

## Harvest

September 17, 2022

## Winemaking

Fermented in Stainless Steel Tanks

## Aging
