## Growing Conditions

Vineyards: Conner Lee

Gård Vintners is 100% estate grown sustainably at Lawrence Vineyards in the Royal Slope AVA. Lawrence Vineyards features seven distinct vineyard sites with elevations ranging 930 feet to 1,675 feet. The combination of elevation and south-facing slope provides a great framework for grape production, while the diversity of the seven locations delivers a high level of complexity to Gård wines. Lawrence Vineyards is certified sustainable.

## Nose

Green pea, citrus peel, gooseberry, basil leaf, flint, and grass.

## Palate

The mouthfeel is medium-bodied, with silky texture and lifted acidity. Tons of citrus and green flavors dominate the mid palate, which also has great tension and fantastic length. Playfully mineral, enjoy now or in the next 5 years.
