Growing Conditions

Gård Vintners is 100% estate grown sustainably at Lawrence Vineyards, featuring eight distinct vineyard sites in the Royal Slope AVA. With elevations that range 930 feet to 1,675 feet and primarily a south-facing slope, Lawrence Vineyards provides a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. We also farm vineyards on the Wahluke Slope and Conner Lee in the Columbia Valley. Lawrence Vineyards is certified sustainable.

Nose

Baked apple, bread dough, citrus, and hints of honey and hay. Swirling brings tree fruits, almond paste, strawberry purée, and a floral touch.

Palate

The mouthfeel is mid-bodied, with creamy texture and beautiful acidity. The mid palate offers a combination of fresh tree fruit and ripe stone fruit flavors, in addition to some herbal and baking spice notes. Very elegant and lively, this Brut-style sparkling cuvée finishes with the perfect amount of bubbles and a fruity and leesy touch. Enjoy now or in the next 6 years to preserve freshness.
