ABOUT THIS WINE

The delicate fragrance of dried roses harmonizes with wisps of cinnamon sticks that captivate the senses. The zesty notes of grapefruit and cherry create a delightful complexity. It is blended with Sagrantino, weaving in tannins that add structure to its overall profile.

Sophia Marie Rosé is named after the first grandchild of the Founders of Messina Hof. It features her infant hand in gold on the label. This wine represents elegance, youthful sass, and the beginnings of boldness and maturity.
