

2023 Riesling Select

Alcohol label %: 11.8 | pH: 3.16 | Acidity (TA): 8.0 | Residual Sugar (g/L): 3.5

Growing Conditions

The 2023 vintage hit a sizable speed bump on the night of May 18, when a combination of freezing temperatures and lack of wind engulfed much of the region in frost. With the vines already awake and starting to push growth, this led to substantial damage – with yields ultimately coming in around 40% less than average across the farm.

Harvest

The fruit that did reach maturity benefitted from a sunny and dry harvest to produce wines of ripe flavors and balanced acidity. Subsequent wines showcase the warrior spirit of grapes that endured a challenging growing process.

Winemaking

From our oldest block of Riesling, Vineyards 31 - 48% planted in 1977, 24% from our Caywood East, 20% from Caywood West and 8% from Block 11.

Aging

Fermented in stainless, this vintage of Select is produced from a blend of four vineyards.

Bottling

Bottled June 13, 2024; Stelvin closure.

Nose

This sweet fruity Riesling has lush aromas of tropical fruits with citrus and pineapple flavors accented by rich honey overtones.

Food Pairing

Delicious alone or with chicken, pork or Asian dishes.
