ABOUT THIS WINE

Our versatile take on France's Châteauneuf-du-Pape is made with Grenache, Mourvèdre, Couinoise and Carignane.

TASTING NOTES

NOSE

A bold, potent wine. Strong mineral and savory accents wrap around a core of bright, red-toned fruit. The purity of the fruit is striking, but this needs air, as it is a serious wine.

PALATE

A medium-bodied weight, elegant texture and versatility.

FOOD PAIRING

Year after year, our Pape Star remains a fan favorite for its medium-bodied weight, elegant texture and versatility when it comes to pairing wine and food.
