Winemaking

Our best-selling wine, despite only being available for a few months per year, this holiday favorite is as delicious as it sounds. Even when we bottle it at the start of the summer, it evokes feelings and aromas of the holidays, which is amazing any time of year.

Food Pairing

Red Carriage is best served with your holiday turkey or ham dinner, but also pairs well with chicken, pizza, tomato-based pasta dishes, strong cheeses and berry-based or chocolate desserts.
