## **Nose**

The nose is fruit forward and refreshing with notes of melon, strawberry, rose petal, and stone.

## **Palate**

This light to medium bodied rosé is smooth and easy drinking on the palate with a pleasant and balanced acidity.

## **Food Pairing**

This rosé is food friendly and would be perfect with a cream-based pasta dish as well as white fish in a butter sauce. The bright flavors and acidity make it a perfect compliment with summer and spring meals out on the patio.
