

# 2011 Merlot

---

Alcohol label %: 13.6 | Residual Sugar (g/L): 0.4

---

## Winemaking

Deep, complex and jammy, our 2011 Merlot is a decadent expression of the classic varietal united with our terroir.

## Aging

Cold soaked and fermented on the skins for up to two weeks, and aged in French and American Oak barrels for more than two years.

## Nose

Dried cranberry, prune and cherry candy waft off the nose complimenting this wine's deep crimson color.

## Palate

Black plum and blackberry fruit mix with dark chocolate and a slightly earthy, leather backend. The delicate smoky finish flourishes the wine's extremely well integrated tannins and residual acid, showing the wine's continual aging prospects.
