Growing Conditions

The 2022 growing season was marked by an abundance of sunlight and a dearth of rainfall. Those two factors combined with a cold spell in mid-January to lessen yield totals for many varieties. However, the fruit that was grown reached enticing levels of ripeness that have us excited about the quality and ageability of wine from this vintage

Winemaking

Fermented in stainless, this vintage of Select is produced from a blend of two vineyards: 97% from our oldest block of Riesling, "Vineyard 31", planted in 1977, and 3% from our Caywood East block.

Bottling

Bottled May 9, 2023.

Nose

This sweet fruity Riesling has lush aromas of tropical fruits.

Palate

With citrus and pineapple flavors accented by rich honey overtones.

Food Pairing

Delicious alone or with chicken, pork or Asian dishes.
