

2020 Merlot

Harvest Dates: November 9th - 10th, 2020 | **Alcohol label %:** 13.0 | **Serving Temperature (°C):** 62.0

Growing Conditions

The year the world turned upside down, our vineyard stayed upright. Intense summer heat sped vines from bloom to fruit set in one week, setting the stage for a stellar vintage: full bodied with powerful structure and ripe, juicy fruit profiles.

Harvest

Very nice conditions all year gave this vintage intense color and concentrated flavors.

Aging

12 months in French oak barrels

Appearance

Pale Ruby

Nose

The wine expresses aromas of bright red cherry, strawberry jam and spice.

Palate

Concentrated flavors of black cherry and bramble fruits hit the palate first and slowly transition to flavors of plum, fig and with a hint of dark chocolate.

Food Pairing

Crispy Salmon with Roasted Beets Mushroom, and Citrus Quinoa
