## Palate

Vino Rosso has been  
our most accessible red table  
wine over the years. We've  
affectionately nicknamed it our  
Tuesday night wine, perfect for  
pairing with anything from  
pizza to burgers to BBQ.  
An aroma that can only be  
Marechal Foch leads to a palate  
of black plum sauce, red currant,  
boysenberries, and bramble  
jam all in a silky-smooth pack age that is the definition of the  
word quaffable.
