

2023 Fíona Rúnda

Alcohol label %: 12.0 | pH: 3.33 | Acidity (TA): 7.3 | Residual Sugar (g/L): 1.34 |
Serving Temperature (°C): 48.0

Growing Conditions

In 2023, spring rains pushed our vines into a dry summer. Cool, autumn weather prolonged ripening as we slowly developed phenolics. Harvest bore beautiful fruit resulting in balanced wines and vibrant flavors.

Winemaking

100% Stainless Steel

Palate

With each swirl, enchanting aromas of anise, rose, and lime intertwine, while spicy ginger and a subtle pepperiness adds intrigue and sophistication.

Food Pairing

Tuna Crudo with Pickled Ginger & Black Sesame
