

2017 Fathom 107

Alcohol label %: 12.2 | **pH:** 3.2 | **Acidity (TA):** 7.8 | **Residual Sugar (g/L):** 0.2

Growing Conditions

Wagner Vineyards is situated on the eastern shore of Seneca Lake directly next to the deepest point in all of the Finger Lakes. At 640 feet or 107 fathoms deep, Seneca Lake's huge volume of water provides our vineyards with year-round temperature moderation.

Winemaking

The lake's effect results in cool nights late into the growing season, preserving our grapes' natural acidity and leading to well-balanced wines.

Aging

This opportune location consistently produces outstanding vintages of Riesling and Gewurztraminer, the two signature white varieties that comprise this very special blend. 63% Riesling, 37% Gewurztraminer (Blended post fermentation)

Bottling

April 19, 2018, Stelvin closure.

Limited quantities, Library Wine. Club membership required for access.

Palate

Both Riesling and Gewurztraminer show off their big aromatics with a nose that's both intensely floral and fruity at the same time. Rich, yet lively, on the palate with a finish that doesn't stop.

Food Pairing

Excellent pairing wine - well suited for a holiday dinner!
