

N/V Lake Winds White

Alcohol label %: 11.0 | pH: 3.15 | Acidity (TA): 4.2 | Residual Sugar (g/L): 56.0

Winemaking

Our Lake Winds White is like a tropical vacation in a glass. Every sip is like sinking your teeth into the juiciest parts of a mango – all you need to do is drop an umbrella straw in it and you're all set!

Food Pairing

Enjoy this wine chilled by itself, or pair it with spicy dishes, light salads and sandwiches & mild cheeses.
