

Non-vintage River Rock White, Hill Country Exclusive

ABOUT THIS WINE

River Rock White is a light, dry blend that flows with beautiful tropical fruit flavors and ripples of apple blossom aromas. Its crisp, clean lemony finish makes this wine a perfect addition to any outdoor adventure.

There are four wines exclusive to Messina Hof Hill Country Winery. Each label showcases a piece of Fredericksburg history. River Rock White represents the many rivers, creeks, and springs that run through Central Texas. One of the most known rivers is the Guadalupe River, which runs over 200 miles from Kerrville to the Gulf of Mexico. The upper Guadalupe's riverbanks are lined with beautiful cypress trees and limestone bluffs.
