**Acidity (TA):** 11.6 | **Residual Sugar (g/L):** 18.5

---

## Growing Conditions

The 2022 growing season was marked by an abundance of sunlight and a dearth of rainfall. Those two factors combined with a cold spell in mid-January to lessen yield totals for many varieties. However, the fruit that was grown reached enticing levels of ripeness that have us excited about the quality and age ability of wine from this vintage

## Winemaking

Wagner Ice wines are pressed from frozen grapes, coaxing the juice out while leaving the water behind as ice crystals.

## Bottling

Bottled - May 25, 2023. Limited quantities, Library Wine. Club membership required for access.

## Nose

Intense floral and candied peach aromas.

## Palate

Fresh, lingering flavors of ripe pears, bright citrus fruit and honey in this Vidal Ice.

## Food Pairing

Enjoy along with your favorite dessert, or as an elegant dessert on its own.
