Aging

10 months in new and neutral French oak barrels, Italian concrete, and stainless steel, aged sur lie with partial secondary fermentation.

Appearance

This new wine is pale yellow with a small tinge of green shining through

Nose

Aromatically entrancing with white pear and the slightest hints at different times of lemon zest, tropical aromas, and the tiniest whiff of whipped cream.

Palate

Ultra- balanced with everything in harmony—fantastic acidity, fullness, length, depth, and energy.
