

2017 Dry Orange Muscat

Alcohol label %: 12.4 | pH: 3.47 | Acidity (TA): 6.1 | Residual Sugar (g/L): 0.0

Harvest

100% Stainless steel barrels

Bottling

This dry, aromatic variety jumps out of the glass with linalool, orange blossom, pear, and apricot. On the palate, it continues to deliver mandarin orange, pear, and apple before leading into a long finish of bright acidity and fruit. 3.47 pH and 6.1 g/L of titratable acidity. Drink now through 2022.
