ABOUT THIS WINE

This wine pays Tribute to Motherhood and the women who comfort and love us. Mama Rosa inspired this wine during Messina Hof's early pioneering years in the 1980s. Mama Rosa Rosé is a smooth blend with subtle floral aromas of hibiscus and soft rose petals. Bright flavors of ripe cherries and tangerines make this a versatile wine, perfect for food pairing.

Messina Hof's story is a kaleidoscope of family, tradition, romance, and exceptional Texas wine. Observe the presence of this longstanding history through the stained-glass windows gracing the winery, in the passion we have for the wine we craft, and the hospitality we share every day. Each wine in the Tribute Series collection represents the vibrancy, rich history, and artistry of Messina Hof. Mama Rosa Rosé is named after Paul V. Bonarrigo's mother, Rose. Her namesake, quick wit, independence, and full energy inspired this delightful blush wine.
