

2021 Gewürztraminer

Serving Temperature (°C): 52.0

Growing Conditions

A hot, dry spring followed by summer rains allowed our vines to push far ahead of average and thrive into a mild, frostless Fall. With the long growing season, grapes had time to build character, creating wines with plenty of color, mouthfeel and identity.

Harvest

October was ideal for harvest. Mild weather ensured steady fruit development and ripening.

Winemaking

100% steel

Appearance

Pale Lemon-green

Nose

Rose petal, Subtle hints of earl grey

Palate

Ginger and white pepper

Food Pairing

Zesty Chicken, tossed with colorful bell peppers, onions, and vibrant Szechuan sauce.
