Aging

Aged for 5 months in stainless steel tanks.

Bottling

Bottling Date: 2/15/2022

Palate

Pale in the extreme, our 2021 Dry Rosé will surprise you with its robust body and sapid flavor! The complexity of the nose is astounding: a tart cranberry tang and a juicy strawberry facet both tango with an enchanting savory as pect. Fresh, crisp, and succu lent, a crescendo of snappy and ambrosial flavors caresses your taste buds. Think straw berry-rhubarb pie! The finish too is a study in contrasts – honey and tart apple, zippy yet silky and it lasts and lasts and lasts. Make sure you're ready for picnics and days on the dock!
