Highly aromatic citrus fruit with notes of pears and apples.

PALATE

Young and fresh with pleasing balanced acidity.

FOOD PAIRING

Enjoy with mild fish, shellfish, ceviches, and crab.

TECHNICAL

ABV	PH	TA
12.5%	3.26	3.71 g/L
RESIDUAL SUGAR		
4.79 g/L		

WINEMAKING

VINEYARD

Maipo Valley, Isla de Maipo. The vines are planted in the heart of the valley, very close to the Maipo River, where they are influenced by rocky soils and the winds that blow down from the Andes and in from the coast.

HARVEST

The 2022 season was preceded by a rather dry winter, followed by a cold spring and a mild summer that ended hot, which allowed the ripening of the grapes that were somewhat late in their ripening process, even bringing forward the harvest of the white grapes. Autumn continued to be dry and warm, which finished standardizing the maturity of the red vines, ending with a harvest on the usual dates. Yields were a little less than expected, and the result was good quality, aromatic, balanced wines with good acidity.

WINEMAKING

The must was fermented in stainless steel tanks over the course of 21 days at 57°F (14°C), and the new wine was filtered and carefully bottled to preserve its freshness and flavor.
