## Bottling

It was a Chardonnay from the Margaret River that brought my parents to fall in love with this stunning wine region in Western Australia. So we are immensely proud to offer our own Margaret River Chardonnay, this one bottled in 2016.

## Appearance

A clear vibrant pale straw.

## Nose

Intense with oak tones.

## Palate

Precise and balanced with a lingering solid palate.

## Food Pairing

UMAMU Estate Chardonnay with Bouillabaisse Seafood Stew (Dairy & Gluten Free, Flavour Full) - see website for recipe.
