ABOUT THIS WINE

Traditionally, from 1996 through 2017, our Napa Zin was comprised entirely of Brown Estate fruit. Commencing with the 2018 vintage we began integrating select lots of non-estate fruit to give this wine a wider range in terms of its nominal footprint — i.e., to expand its representation of Napa Valley Zinfandel beyond the confines of our property, bringing David's 20+ years working with this singular varietal to bear on a broader iteration of our flagship Brown Zin.
