---

## Growing Conditions

The 2011 season started with a very wet spring, hot and dry July and August then a wet fall again. Harvest towards the end of October was well rewarded by a much drier and warmer period with superior results.

## Harvest

The 2011 vintage comes entirely from our oldest Riesling block, planted in 1979.

## Winemaking

We ferment our Riesling at cool temperatures to preserve the delicate fruit character and bottle early, allowing it to gain complexity in the bottle.

## Aging

Our experience has shown that, given proper storage conditions, Riesling from Wagner Vineyards will continue to improve and develop for 5 - 7 years.

## Bottling

January 19, 2012. Stelvin closure.

Limited quantities, Library Wine. Club membership required for access.

## Palate

This Riesling yields lush tropical fruit aromas and flavors of citrus and ripe pineapple accented by rich honey overtones.

## Food Pairing

Delicious alone or with chicken, pork or Asian dishes.
