### Aging

Aged for 7 months in neutral French oak barrels.

### Bottling

Bottled: 5/24/2022

### Nose

The nose and palate harken the mind to dried herbs and a fresh garden, but not in the way one would usually imagine

### Palate

The expected berry notes differ from the usual and instead give the impression of heirloom tomatoes like Black Cherry (the tomato kind), Mr. Stripey and the Choco late Stripe as well as the beloved hybrid Sungold, with just a flirt of actual black cherries as well. Sips conjure oregano, black pepper, thyme, and black currant, rubbing elbows with those luscious toma toes and cherries. Tannins satisfy our de sire for grip while leaving us wanting more.

### Food Pairing

Pasta
