## Palate

The first red wine glimpse of the new vintage every year for us, the 2019 Bledsoe Family Wine is another stunner. Freshly cut raspberries, blackberry cobbler, and red licorice. There is the slightest hint of lavender and sage that totally remind me of walking through our biodiversity plantings at Bob Healy Vineyard. Rich, large, and round tannins give way to a wine that could be cellared but is perfect to pop open and enjoy immediately.
