ABOUT THIS WINE

Messina Hof Sparkling Brut is a crisp, refreshing sparkling wine with baked apple and apricot nuances and enchanting flavors of honeycomb. This wine has a fresh and bubbly finish that pairs exceptionally well with light cuisines such as smoked salmon salad or seafood pasta dishes in a buttery sauce.

*Messina Hof Sparkling Brut is made through the traditional method, or *méthode traditionnelle*, which means the transformation from a still wine to a sparkling wine through its secondary fermentation is done entirely inside the bottle. Texas grapes matched with this old-world method creates a complex and delicious wine.*
